

English

Fiction

This term we will explore Traditional Tales,, looking at The Three Billy Goats Gruff. We will use Talk 4 Writing to learn this and innovate our own.

Non- Fiction

We will research based around our science topic and collect facts and information to use in a report. We will use Talk 4 Writing to learn the structure of a report.

Spelling and grammar will be taught daily and we will learn to use Alan Peat sentences to boost our writing. This term we will look at: 2Ad sentences, BOYS sentences and Emotion comma sentences.

ICT and Computing

The children will be learning about collaboration and communication. They will use Google apps to learn to work together. They will also learn to use apps such as Explain Everything, Seesaw and Book Creator to record their work in new ways!

Year 3 Elephants

Autumn 1

Smashing Saxons!

Maths

Place Value: Reading and writing numbers in numerals and words up to 100, recognising place value of each digit in two and three digit numbers, comparing and ordering numbers up to 1000.

Addition and Subtraction: We will use the column method of addition and subtraction to add and subtract numbers up to 3 digits and then apply our skills to solve problems.

Geometry: We will be drawing some 2D shapes, then we will construct some 3D shapes and finally in geometry, we will be calculating the perimeter of some 2D shapes, inside and outside of the classroom.

Measures: We will be looking at different units of measure for length, mass and volume.

PE

This term we will be learning Gymnastics and Athletics.

Science

Animals, including Humans

This term we will be investigating digestion and the digestive system.

We will look at animal diets including carnivores, herbivores and omnivores.

The children will investigate the importance of teeth and compare the teeth of different animals. We will look at tooth decay and carry out an investigation using eggshells.

We will look at where food comes from through producers, predators and prey.

Art & DT

This term we will be learning how to collage, by studying artists that make a variety of collages and replicating their techniques.

Music

We will be having weekly singing lessons and practising a variety of songs in class.

Spanish

The children will be introduced to the Spanish language and learn basic vocabulary.

History

Children will create a timeline to learn when the Saxons settled. We will design a Saxon settlement and find out about Saxon life, looking at place names, clothing, food and entertainment. Find out about Saxon beliefs and religion. We will learn about Anglo Saxons feasts and prepare our own.

RE and PSHE

The children will be following the Jigsaw scheme of work in a weekly PSHE lesson. RE will be covered in assemblies and this will be built on in class
